

HyVee[®]

INDYCAR RACE WEEKEND

JULY 21-23, 2023

**2023
GENERAL CAMPING
INFO AND RULES**

OVERVIEW

- Hy-Vee INDYCAR Race Weekend
- Camping Rules and Regulations
- Notice about the Dangers of Carbon Monoxide
- Severe Weather Protocol

EMERGENCIES – WHAT TO DO:

Seek Help: Get the attention and assistance of a Hy-Vee INDYCAR Race Weekend or Public Official. Event Security stations overnight staff at the Check-In booth and in roaming vehicles across the property.

Call 911: Inform the operator of your location and site number. Use landmarks for assistance. Hy-Vee INDYCAR Race Weekend provides 24-hour security and emergency medical service coverage with on-call law enforcement officers, paramedics, and emergency medical technicians station on-property.

SERVICES:

Tank Service: Most camp sites at Hy-Vee INDYCAR Race Weekend are not outfitted with sewers, but for your convenience, Onsite Reliable is authorized to service your tanks at a reasonable rate of \$40 per service.

Scheduling: Onsite Reliable will be available in the early evening for service in the campground. Please waive them down or call/text 682.220.3044 to schedule.

Showers: Showers will be available at:

- Love's Travel Stop. 4400 S 22nd Ave E, Newton, IA 50208.
- Casey's Gas Station: 4400 Ia Speedway Dr, Newton, IA 50208
- Next to Camping Check-In at Iowa Speedway

ARRIVAL:

Guests may start arriving and parking at 12pm CT on Thursday, July 21.

DEPARTURE:

Motorcoaches/RVs are restricted from departing the camping areas during the times of 7-9:30PM on July 22 and July 23. Passenger vehicles may exit immediately. Iowa State Patrol and local Law Enforcement will control the release of all campers and large vehicles following the conclusion of the days final event.

All campers must depart Iowa Speedway by 12pm on Monday, July 24.

ANNOUNCEMENTS & EVENT COVERAGE

Tune in for the latest announcements and event coverage on 98.9 FM or @INDYCARatIowa on Twitter, Instagram and Facebook.

HY-VEE GENERAL STORE

The Hy-Vee General Store is located general camping and will be open 7AM-9PM daily. General store will have shelf staples such as chips, soda, and beer for sale. Additional, ice is available for purchase.

1:30PM	Hy-Vee One Step 250 presented by Gatorade
4:15PM	Post-Race Concert – Ed Sheeran

GENERAL CAMPING REGULATIONS:

CAMPING HOURS:

Gates open at 12:00PM, Thursday, July 20 and close at 12pm on Monday, July 24. A “good neighbor” quiet policy will be in effect beginning at 12:00AM (Midnight Central Time) each evening. Admittance and set-up are restricted when gates are closed.

CHECK-IN:

To enter the General Camping area, use exit 168 off I-80 to Iowa Speedway Drive and follow signs to General Camping, located off Iowa Speedway Drive. Please check in with camping staff at Iowa Speedway trailer, located in camping lot.

CAMPING RULES:

Tent Camping: Tent spaces are assigned, and we ask that you set up in your assigned location. Once parked, please make sure you post your post number with your site. Commercial vehicles will park within your dedicated camping footprint. No generators, of any kind, are allowed in tent camping.

RV/Campers: Reserved 25x50 space in dry camping. Space does not include power, water or view of the track.

CAMPING AREA REGULATIONS:

- Camping site does not come with grandstand tickets.
- Each site will receive one (1) large site decal for the camping unit and one (1) smaller decal for the tow vehicle or companion vehicle.
- Weapons of any kind, drones, remote control helicopters, planes or other remote-controlled devices, fireworks, sky lanterns, missile-like objects or projectiles of any kind, explosives and illegal substances are all prohibited. Anyone caught using these items will have them confiscated, and a citation may be issued by city or county law enforcement.
- Charcoal fires are permitted only in standard outdoor cooking grills.
- Pets are not allowed in camping areas. Only service animals will be allowed on property.
- Please place your trash in one of our Midwest Sanitation receptacles, which can be found throughout the Campgrounds. Trash pick up services will begin each morning at 8:00AM CT, weather permitting.

CAMPING AREA REGULATIONS Continued:

- No tents are allowed to be next to an RV or camper.
- During an emergency, please call 911 immediately; please identify yourself and your campsite location by Section and Site number. Event Officials will be monitoring emergency channels and will be able to assist emergency personnel in locating the incident inside the campgrounds. Event Officials also have medical and fire team staffed twenty-four (24) hours a day during race weekends. They may be the first to respond to the incident.

SAFETY MESSAGE:

In our efforts towards providing a safe environment for our customers, Hy-Vee INDYCAR Race Weekend and NCOAA are working towards awareness regarding the risks of carbon monoxide (CO) poisoning. CO poisoning can occur when using portable generators, vehicles and other combustible equipment.

WHAT IS CARBON MONOXIDE?

- CO is colorless, odorless and tasteless.
- CO is produced from the burning of fuel sources.
- CO poisoning occurs when you breath fumes from those fuel sources.
- CO poisoning is a leading cause of injuries and deaths each year.
- CO is only detectable with an electronic sensor.
- CO can result in loss of consciousness, long term health effects or death.

IMPORTANT FACTS ABOUT CO POISONING

- CO poisoning is often mistaken for a cold, flu, or hangover so be suspicious if these conditions occur suddenly.
- CO poisoning symptoms worsen with the consumption of alcohol or drugs.
- CO exposure is more dangerous for the elderly, smokers, children, pregnant mothers, and those with underlying health issues.

SOURCES OF CO AND HOW TO BE SAFE AROUND THEM

- Portable and RV generators, motorhomes, cars, trucks, campfires, grills, stoves and portable heaters. For your family and neighbor's health and safety, please be mindful to use equipment safely.
- Maintain a minimum distance of 6' (feet) from all CO Sources.
- Ensure that all CO courses are properly vented so CO fumes do not enter yours or your neighbor's RV/campsite.
- Only use CO generating equipment outside, never in a tent, camper, vehicle or inside your home.
- Consider the wind direction while using CO generating sources.
- We recommend that you have a properly functioning CO detector in or near the areas where sleeping may occur.

WHAT SHOULD YOU DO IF YOU SUSPECT CO POISONING?:

- Leave the area immediately and seek fresh air
- Call 911, security, or campground office
- Seek medical attention immediately

TYPICAL RACETRACK CAMP SITE

MAINTAIN A MINIMUM DISTANCE OF 6' (FEET) FROM ALL CARBON MONOXIDE SOURCES

CO detectors are available for purchase at most local home improvement stores

SEVERE WEATHER PREP & COMMUNICATIONS :

KNOW YOUR PLAN!

STAY ALERT. BE PROACTIVE.

STAY ALERT: Monitor the weather closely and take the necessary precautions to ensure your safety. Iowa Speedway may not provide adequate protection from extremely high winds, lightning, hail, or tornadoes. There is no basement or approved tornado shelter on property.

SECURE LOOSE ITEMS: If you are tailgating or camping, please secure loose items including tents, grills, coolers, flags, and awnings. Seek shelter if conditions worsen.

LIGHTING: Lightning can strike as far as 10 to 15 miles from the area where it is raining. That's about the distance you can hear thunder. The National Weather Service indicates if you can hear thunder, you are within striking distance, and it recommends seeking shelter immediately.

SHELTER: Though no place is absolutely safe from severe weather, if you are caught outside, the safest location is a large enclosed building. Iowa Speedway has limited enclosed buildings, and if any guests are unable to seek shelter in an enclosed structure, the National Weather Service recommends seeking shelter in an enclosed metal vehicle. The National Weather Service also recommends staying away from tall, isolated objects.

STAY UPDATED-COMMUNICATION & RADIO CHANNELS.

Hy-Vee INDYCAR Race Weekend Officials and Staff will be closely monitoring the weather at all hours throughout the event weekend. Guests are encouraged to stay alert and informed by tuning-in and/or utilizing the communication channels outlined below.

- Iowa Speedway Public Address System
